

Labors website and what issues it covers

Just an interesting take on her approach to issues..

Labor MP's Websites

[Jess Website Link](#)

Note that each Labor MPs websites are branded the same but are all quite different. Scroll down I compare even the surveys are completely different seat to seat. I'm waiting on confirmation if this is due to some MPs just being lazy or these come from Campaign Central (Their version of Feedback) I have detailed some of the differences.

Survey

David Michael, Paul Lilburne, Emily Hamilton, and Caitlyn Collins do not have this part.

Cost of Living

Her approach to cost of living is entirely to give money to the end user.

- \$500 kidsport voucher
- Cheaper Public Transport
- Free Tafe Courses (No detail)
- WA Student Assistance Payment

This will be dealt with in its own section.
